I certify that the above information is true and correct and that any changes or updates on the above information will be reported to the Avoyelles Parish Permit Office. I also understand that the above development will incur periodic inspections as required by the State construction code and for compliance verification.

I understand and agree that in the event that my application, permit or development is found invalid or not approved by the State Board of Health and/or the Permit Officer of the Police Jury, the utility company providing electrical service to the development property will be ordered to disconnect my service immediately upon notification from the Permit Officer of the Police Jury. This also applies to any temporary/construction utility service that may be preliminarily approved.

****All required inspection must pass before an electrical connection will be authorized to your utility company.***
